

My Top 5 Tools for Online Tutoring

1. [Zoom](#) - A great alternative to Skype for video or voice calls (Free).
2. [Wealthy Affiliate](#) - My #1 recommendation for building and hosting your tutoring website. (Free or Paid)
3. [PayPal](#) - Receive instant online payments (Free to set up and PayPal take a small processing fee for each transaction).
4. [Selz](#) - Take credit card and PayPal payments on your website (Free to set up and Selz take a small processing fee for each transaction).
5. [Google Drive](#) - Create and store all your lesson materials online. Invite students to view, download, and collaborate on files (Free).
